Discussion Notes

- The meeting commenced with a brief discussion regarding the progress of participant interviews conducted by team members, with particular attention to verifying that each member had fulfilled the interview quota and that all sessions were comprehensively documented through audio recordings.
- The team established the GitHub directory to facilitate organised data management, ensuring that all members were familiarised with the designated file paths and understood the correct procedures for uploading their respective interview transcripts.
- The team reviewed the accessibility of interview recording links confirming that the generated links were functional and retrievable by all relevant parties.
