A6			

Discussion Notes

- The team selected the project topic through a democratic voting process and conducted a thorough discussion on the overall concept and the logic behind SkillPath, ensuring all members shared the same understanding of the project's scope and objectives.
- The team reviewed the requirement of Assessment (Iteration 1), clarifying the expected deliverables and scope of work, to ensure all members were aligned on submission requirements and task expectations.
- The team conducted a preliminary discussion on GitHub, which will be introduced during the Week 4 studio session, covering a brief overview of the platform's purpose and core functionality to familiarise members ahead of the upcoming session.
